ARE YOUR TRANSITION TIMES FASTER THAN OURS?

Like a triathlete during a race, we are passionate about executing fast transitions at the gate. With over 100 flights a day from Logan Airport our teams need to be efficient to ensure a safe and reliable transition to the next destination.

We've partnered with Streamline Events to give away ONE ROUNDTRIP FLIGHT at each race to the male and female with the fastest combined transition times (T1 and T2 combined).

**GOOD LUCK TRIATHLETES
MAKE YOUR TRANSITIONS COUNT!**

*Terms and conditions apply. Winners need to complete the event individually.
No relays allowed with this offer.

**Athletes must have their shoes on when leaving T2 or they will be disqualified from this award..
